### OC ARES General Meetings

**Next Meeting : Tuesday October 9, 2012**

The Oldham County ARES general meetings are normally held at 7:00 pm on the 2nd Tuesday of each month at the Oldham County Red Cross building, 1215 N Highway 393, Buckner, KY 40010. Talk-in is on the 147.390 repeater.

### Training Update

One of the important goals of Oldham County ARES is to make sure that members are trained with a basic knowledge of the National Incident Management System (NIMS) and the Incident Command System (ICS). When a member completes the required training modules, they are soon acknowledged for their achievement.

Please make time to work towards completion of the required training so we can better assist our served agencies.

### Communication Information

**Oldham County ARES Net:**

Every Monday at 8:00 pm local on the 147.390 repeater.

This net also serves Henry and Trimble Counties.

### Scheduled Events

The Oldham County ARES group plans to be more active in 2012 now that the most of the startup and organizational tasks are complete. Members should be aware of the following future events and mark their calendars:

Boy Scout Jamboree on the Air on October 20, 2012

More information is available on the Events tab of our web site.

### Another Training Completed

David Quillen (NQ6A) was presented a certificate acknowledging that he has completed all required ARES training. Making the presentation is Rick Ewen (W4TLE), Emergency Coordinator Oldham County ARES.

### About Oldham County ARES

The Oldham County Kentucky Amateur Radio Emergency Service (ARES) is an all volunteer group of licensed amateur radio operators who have registered their qualifications and equipment and undergone specialized training for emergency communications duty during natural or man-made disasters.

We also offer our communications services free of charge to community

events around the area such as walks, runs and bike rides, parades and other gatherings. We use these events as a training opportunity and a way to educate the public about amateur radio.

Every licensed amateur, regardless of membership in ARRL or any other local or national organization is eligible for membership in ARES. The only requirements are possession of an amateur radio license, some basic training, and a sincere desire to serve.
